

CAMDEN COUNTY HISTORY ALLIANCE

Camden County Heritage magazine

The **Camden County History Alliance**, a partnership of 51 Camden County history organizations, historic assets, and support agencies, was established in 2016 to promote appreciation for the wealth of historical resources throughout Camden County.

One of our joint projects is to produce a **historical magazine** which will be offered **FREE** and **distributed county-wide** to local businesses, libraries, historical societies, meeting spaces and public events. We will print 10,000 copies in FULL COLOR with a finished size of 8.125" x 10.125."

Each edition follows a theme of Camden County's Heritage with vintage photographs, images, maps, and information on life in Camden County. The theme of the Fall 2021 magazine is Religious Organizations of Camden County.

The magazine will be a treasured collectible that people will keep for years, and your advertising dollars will be well spent. We welcome your contributions towards the preservation and promotion of our Camden County history through purchasing an ad or donating as a patron!
